

## Bracknell Forest Careers Event

### Bracknell Forest Careers Event

Bracknell Forest Partnership is holding a Careers Event on **Wednesday 25 January 2012** at the Capitol Building, Southern Industrial Area, Oldbury, (off Mill Lane) Bracknell, RG12 8FZ, to provide an opportunity for students and parents from across the Bracknell Forest area to find out about apprenticeships and other career opportunities within their area.

During the day Year 11 students from Bracknell Forest secondary schools will have the chance to ask questions, pick up ideas, listen to inspirational speakers and make contact with potential employers, universities and voluntary groups. This is a closed session for these Year 11 students.

In the evening ie 5pm to 8pm everyone is welcome to attend this open session, for younger students, their parents and carers or to anyone who may already have left education and needs help with getting back into work and training.

This event is a fantastic window of opportunity for the borough's young people and their parents and carers to get the best possible information about education, training and employment prospects for the years ahead.

More than 60 employers, training and education providers and specialist advisers will be on hand in one place to offer information and practical help on getting ready for the world of work.

**For more information and to register your interest visit [www.bfcareers.co.uk](http://www.bfcareers.co.uk)**

This major event has been brought together by the Bracknell Forest Partnership, East Berkshire Education Business Partnership and business sponsors from across the borough.
