

Opportunity Registration

The information you provide on this form will be used by us to match volunteers for this opportunity. It is important that the information you provide is as accurate as possible. You should try to make the opportunity sound interesting, appealing and worthwhile since this will help us a great deal in attracting volunteers. Due to pressure of work we are unable, in most cases, to make changes to the information you provide. We reserve the right to make changes to the information when it is entered into our database. Incomplete or poorly completed forms may be returned to you.

The National Volunteering Database (NVD)

We regularly upload details of volunteering opportunities to the NVD, which are then available to the public from the do-it web site (www.do-it.org.uk) where they are able to search the database to find opportunities that match their interests. Partial details of the organisation offering the volunteering opportunity are also uploaded. These are:

- The name of the organisation
- The purpose (or mission statement) of the organisation
- The activities of the organisation

None of the above will be sent to the NVD until you have provided us with details of a volunteering opportunity. When you do this you have the option to request that the opportunity is not uploaded to the NVD.

In a very limited number of cases we may opt to upload not only the name of your organisation but contact details for a volunteering opportunity as well. (i.e. the address and telephone number). This is only done in cases where a large organisation is seeking multiple volunteers over a wider geographical area. Again, you have the right to request that we don't upload details of the opportunity.

It is in your interest to make this opportunity sound interesting enough to attract volunteers to become involved.

Organisation details are registered with us on a separate form.

WHEN YOU HAVE COMPLETED THIS FORM PLEASE RETURN IT TO:
